OF THE HOLDING OF ABANDONMENT**

I HEREBY CERTIFY THAT THIS PAPER IS BEING
SENT BY U.S. MAIL, FIRST CLASS, TO THE
COMMISSIONER FOR PATENTS, P.O. BOX 1450,
ALEXANDRIA, VA 22313-1450, THIS

15 DAY OF June, 2005
David D. Brush
PATENT ATTORNEY

Sir:

Applicants hereby Petition to Withdraw Holding of Abandonment in the above-identified patent application based on failure to receive the Office Action dated August 25, 2004.

Applicants received a Notice of Abandonment dated June 3, 2005, indicating the application is abandoned in view of the Applicant's failure to timely file a proper Reply to the Office Action letter mailed on August 5, 2004. However, this Office Action was not received at the Offices of Westman, Champlin & Kelly, P.A. prior to receipt of the Notice of Abandonment.

Upon receiving the Notice of Abandonment, Applicants' Attorney, David D. Brush, searched the corresponding file, docket records and mail log and could find no evidence that an Office Action was ever received.

Enclosed with this petition is a docket report which lists the items due for Attorney David D. Brush (the attorney for which this Office Action due date would have appeared) for the time period extending November 20, 2004, to November 29, 2004. The three-month date for response would have been November 25,

2004. The docket report has been redacted to remove confidential information for other clients, such as the titles of unrelated applications and corresponding client names.

Also enclosed is a copy of the mail log of Westman, Champlin & Kelly, which lists each item of PTO mail received and its date of receipt. The enclosed mail log includes dates extending from August 25, 2004, through August 31, 2004. Neither the file number nor the corresponding serial number of the above-identified patent application appears in the mail log, which indicates that the Office Action was not received. Applicants' Attorney also reviewed the mail log for the entire month of September (not enclosed) and could find no indication that an Office Action was received.

For the above reasons, Applicants respectfully request that the holding of abandonment in the above-identified patent application be withdrawn and requests that the Patent Office mail a new Office Action and re-start the period for response.

Applicants believe no fee is required. However, the Director is authorized to charge any fee deficiency required by this paper or credit any overpayment to Deposit Account No. 23-1123.

Respectfully submitted,

WESTMAN, CHAMPLIN & KELLY, P.A.
